What skills and areas of expertise will you bring to your position as a Board member that will benefit the Historical Society Board and the Society in general?

As a Board member, I offer a combination of strategic thinking, organizational leadership, and strong follow-through, along with a genuine commitment to preserving and sharing our community's history. My experience in project & event coordination, communication, and community outreach enables me to help strengthen partnerships, expand public engagement, and support educational initiatives. I value collaboration, clear decision-making, and a positive Board culture, and I'm dedicated to helping the Historical Society thrive both in its daily work and its long-term mission.
